How to view confirmed placements

1. Start on your Homescreen.
2. Under the placements tab click on the Accepted with No Masterweek tab.
3. You can view some member details by clicking on the member's name.
4. Full member profile information can be found by searching member in the member search menu.
5.  If your provider portal is configured with a single office, you will receive your member placements as confirmed.

Get Moving Mountain

How to accept pending placements

1. Start on your Homescreen.
2. Under the placements tab click on Pending.
3. Select Admission ID.
4. Select Office, Assign default as Coordinator, and Accept.

5. If your provider portal is configured with multiple offices, you will receive your member placements as pending.

How to run the patient report

This census report can assist providers in reviewing member placement data in HHAeXchange.

1. To run the report select Report > member > List of members ENT.
2. Enter in the member data fields you would like to capture on the report
3. Print and download Excel.

Member Report Demo

Key takeaways

-  To find your linked payers go to Admin > Payer > Search Payer and select 'Search' to pull all linked payers.
-  In the Patient Profile, enter the required demographic information, member's accepted services, and address & phone number used for EVV.
-  The following are required in the member profile to successfully place the member: First Name & Last Name, SSN, Date of Birth, Medicaid ID

Key takeaways

-  If your provider portal is configured with a single office, you will receive your member placements as confirmed.
-  If your provider portal is configured with multiple offices, you will receive your member placements as pending.
-  The List of Patient ENT report can assist providers in reviewing member placement data in HHAeXchange.
