How to Download HHAeXchange+

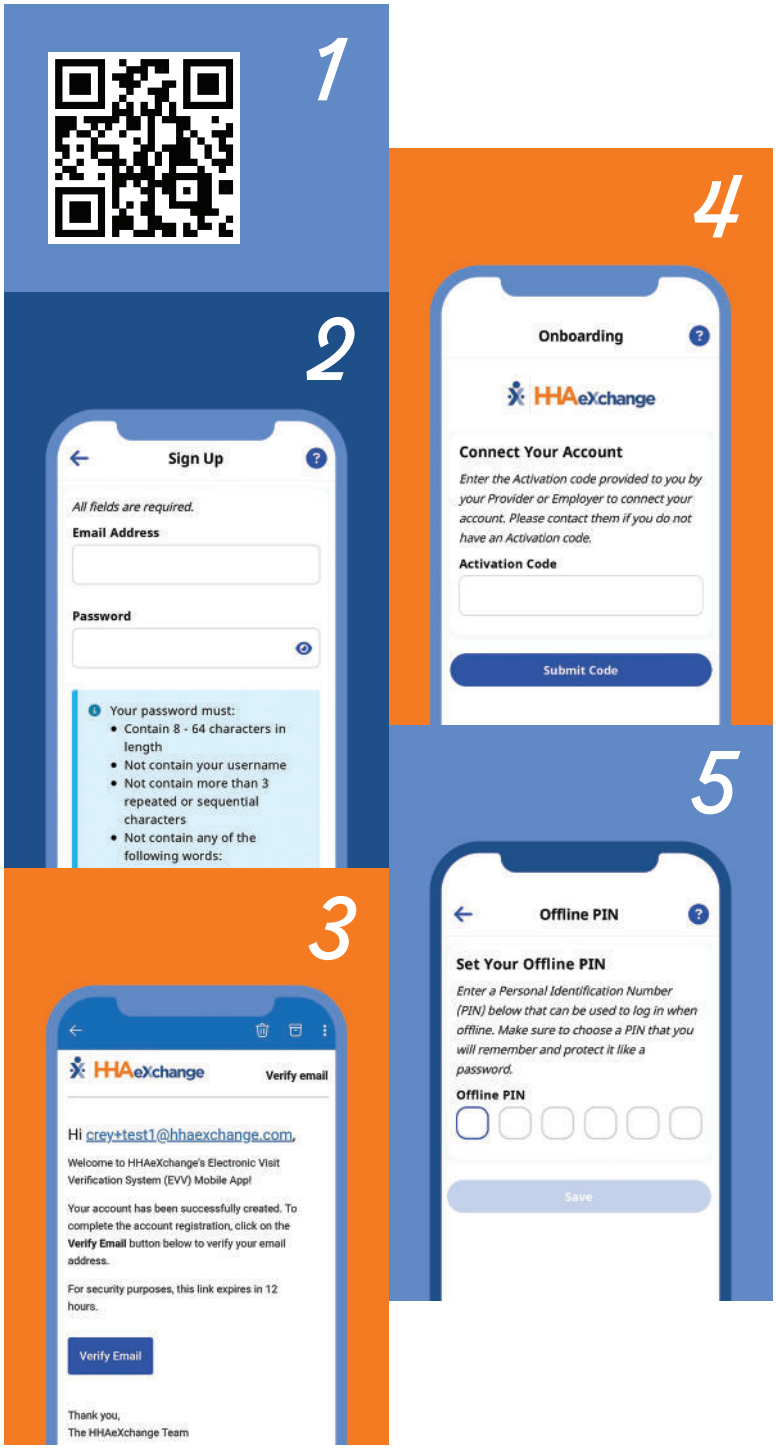
Step 1: Download
Scan the QR Code or open the App Store/Google Play Store and search for **HHAeXchange+**. Tap Install.

Step 2: Sign Up
Open the app, choose your language, and tap Sign Up. Enter your email and create a password.

Step 3: Confirm Your Email
Check your email for a message from HHAeXchange. Tap the link inside. Then, return to the app and log in.

Step 4: Enter Your Code
Enter the Activation Code your agency gave you. Next, enter the last 4 digits of your Social Security Number and your Date of Birth. These must match what your agency has on file.

Step 5: Get Set Up
Turn on fingerprint or face ID (optional) for faster logins. Create a 6-digit PIN for times when you don't have internet access. Tap Save.



You're all set!
You are now ready to use the HHAeXchange+ mobile app.

Moving from another HHAeXchange mobile app?
Good news—you don't need to sign up again. After Step 1, simply use your current login information to get started.
